Qoqqut

Kangia Camp is situated at the top of a plateau in a very nice spot viewing both Kangia fjord and Kangia River.

The Camp consists of 1 cabin with kitchen and living room, 1 accommodation cabin with 8 rooms and 2 beds in each room. 2 toilets and a shower. There will be a maximum of 10 guests at the camp during the whole fly-fishing season, which goes from the middle of July to the middle of October.

Kangia Camp is an exclusive fly-fishing camp, the only one in Greenland with international standard and quality. We offer you a unique experience.

Kangia River

Kangia river is situated at the end of Kangia fjord, south of Maniitsoq (about. 1½ times sail trip). The area is hidden in a valley surrounded of mountains and wild fauna.

Kangia Camp roomed a maximum of 12 fly-fishermen at the same time. After all the studies made by the local ATI school in Maniitsoq, this standart will keep the balance of the river.

The cabins can also be rented before or after the fly-fishing season for other purposes.
